

'Traditional Painting Genres in Photography' is up at the Maine Museum of Photographic Arts in Portland through the end of the month.

Art Review by Jorge S. Arango

Portland Press Herald January 14, 2024

...In the interiors camp, new experiments with large-format printing (36-inch square) give work-transforming impact to Claire Seidl's familiar moody photos of rooms occupied by people recognizable only as blurs. They have a ghostly, ineffable quality to them that is worlds away from interiors by Berenice Abbott and Eugene Atget in the case nearby...

Claire Seidl, "Porch Dinner with Candle Light," 2023, Silver print, 36 x 36 inches
